

PELICAN™ 3335R FLASHLIGHT

OUR NEWEST LIGHTWEIGHT RECHARGEABLE INTRINSICALLY SAFE WORK LIGHT

LI-ION POWERED COMPACT SAFETY CERTIFIED FLASHLIGHT

The Pelican™ 3335R is our newest compact, rechargeable, intrinsically safe work light. The compact design fits comfortably in your hand and delivers up to 246 lumens across High/Low/Flashing modes with up to 58 hours of continuous run-time. The built-in battery indicator ensures you're aware of the charge status, and the optional Right-Angle Adapter (#3317) transforms it into a wearable work light, allowing precise light direction.

NEXT GEN REPLACEMENT FOR PELICAN 3315R/RA

The Pelican 3335R serves as the next generation replacement for the 3315R, with improved performance and features to keep your crew working safely.
