

Sensitive equipment needs protection, and since 1976 the answer has been the Pelican™ Protector Case. These cases are designed rugged, and travel the harshest environments on earth. Against the extreme cold of the arctic or the heat of battle, Pelican cases have survived.

Made in the USA, these tough cases are designed with an automatic purge valve, that equalizes air pressure, a watertight silicone O-ring lid, over-molded rubber handles and stainless steel hardware.

- Automatic pressure equalization valve - balances interior pressure, keeps water out
- *Sharps container not included
- Also available without EMS Organizer and Dividers
- Each tray has an overall internal dimension of: 17" x 7.65" x 1.36" (43.18 x 19.43 x 3.45cm) LxWxD
- Lifetime Guarantee of Excellence (Tray system not covered by lifetime warranty)
- Personalized nameplate service available
- Stainless steel hardware and padlock protectors
- Specifically designed in conjunction with Fire department and EMS personnel
- Open cell core with solid wall design - strong, light weight
- Easy open double-throw latches
- O-ring seal for dust and water resistant seal (IP66)

- Top lid opens up to 180° for on-the-field anti-roll stability when open
- Sharps storage bracket included
- Adjustable tray dividers allow for easy customization
- Lockable compartment for controlled substances
- Peli's legendary lifetime guarantee**
- * Where applicable by law
