

1510M Protector

Case

Sensitive equipment needs protection, and since 1976 the answer has been the Pelican™ Protector Case. These cases are designed rugged, and travel the harshest environments on earth. Against the extreme cold of the arctic or the heat of battle, Pelican cases have survived.

Made in the USA, these tough cases are designed with an automatic purge valve, that equalizes air pressure, a watertight silicone O-ring lid, over-molded rubber handles and stainless steel hardware.

- 4" diameter x 1.5" wide (10.2 x 3.8cm) heavy duty polyurethane wheels with stainless steel bearings
- Retractable extension trolley handle
- Easy open double-throw latches
- Open cell core with solid wall design - strong, light weight
- O-ring seal
- Automatic pressure equalization valve - balances interior pressure, keeps water out
- Comfortable rubber over-molded top and side handles
- Stainless steel hardware and padlock protectors
- Personalized nameplate service available
- Lifetime Guarantee of Excellence
- Water resistant, crushproof, and dust resistant
- The Mobility Version of the 1510 Case is over the maximum FAA carry on size
- Peli's legendary lifetime guarantee**
