

1720 Protector Case

Sensitive equipment needs protection, and since 1976 the answer has been the Pelican™ Protector Case. These cases are designed rugged, and travel the harshest environments on earth. Against the extreme cold of the arctic or the heat of battle, Pelican cases have survived.

Made in the USA, these tough cases are designed with an automatic purge valve, that equalizes air pressure, a watertight silicone O-ring lid, over-molded rubber handles and stainless steel hardware.

- Watertight, crushproof, and dustproof
- Easy open double-throw latches
- Open cell core with solid wall design - strong, light weight
- O-ring seal
- Automatic pressure equalization valve - balances interior pressure, keeps water out
- Fold down handles
- Strong polyurethane wheels with stainless steel bearings
- Stainless steel hardware and padlock protectors
- 3-piece foam set
- Personalized nameplate service available
- Fold-down side handles on both ends additional carrying options
- New fold-down over-molded top and side handles
- 12 lid bosses for mounting of multiple 1500MP EZ-Click™ MOLLE Panels
