

1730 Protector

Case

Sensitive equipment needs protection, and since 1976 the answer has been the Pelican™ Protector Case. These cases are designed rugged, and travel the harshest environments on earth. Against the extreme cold of the arctic or the heat of battle, Pelican cases have survived.

Made in the USA, these tough cases are designed with an automatic purge valve, that equalizes air pressure, a watertight silicone O-ring lid, over-molded rubber handles and stainless steel hardware.

- Easy open double-throw latches
- Open cell core with solid wall design - strong, light weight
- O-ring seal
- Automatic pressure equalization valve - balances interior pressure, keeps water out
- Fold down handles
- Stainless steel hardware and padlock protectors
- 5-piece foam set
- Personalized nameplate service available
- Watertight, crushproof, and dustproof
- Optional Humidity gauge changes color above 40%
- Optional Manual Pressure Equalization Valve
