

V525 Vault Case

Built for hard use, high impact protection and supreme weather resistance, our Vault by Pelican series rolling case is the most rugged and secure in its class. The Vault by Pelican V525 rolling case has quiet rolling stainless-steel ball-bearing wheels and an extension handle for easy transport. Meets maximum airline carry-on size*. And it's equipped with a host of robust protective features at a price every travel adventurer can afford.

- Retractable extension trolley handle
- Meets airline regulations for carry-on luggage*
- Crushproof, dustproof, and weather-resistant
- * Check with your airline for exact measurement requirements.
- Heavy duty handles are ergonomic and will stand up in even the toughest conditions
- Two push button latches offer secure closure with easy-open access
