

Same features as the SabreLite™ 2010 LED Flashlight, but outfitted with a lens ring that emits a bright glow in the dark. The photoluminescent material in the plastic absorbs the energy from any light source - fluorescent lights, the sun, or even the flashlight's own beam. No more fumbling in the dark for your flashlight.

- Built Pelican tough
- Unconditional Lifetime Guarantee of Excellence
- Glow-in-the-dark shroud
- Twist on/off activation
- Submersible
- Super bright LED beam
- As bright as a Xenon light with the battery life of an LED
- **Where applicable by law
- Waterproof
- Peli's legendary lifetime guarantee**
