

9730

Remote Area Light

The 9730 Remote Area Lighting System (RALS) is Pelican's latest generation of RALS designed to meet the unique challenges of isolated operations.

With a robust 4,800 lumen output, over 13 hours of maximum runtime, and an intuitive design, the 9730 RALS improves efficiency in the field, delivering a powerful, easy-to-use portable scene lighting solution. Whether you're illuminating a scene as part of an emergency response scenario, setting up a temporary command station, or establishing sufficient light for a visual inspection, the 9730 RALS ensures safe, reliable operation in the most diverse and demanding environments.

MATERIALS

Body Material: *Polycarbonate (PC) / ABS*

WEIGHT

Weight: *18.55 lbs (kg)*
